Major General Arthur G. Trudeau
 Assistant Chief of Staff, G-2
 Department of the Army
 2B64 Pentagon
 Washington 25, D. C.

Dear Art:

I would like for you to know that all of the Army people that we met on our trip were most cooperative and helped us in every way that they could. We, of course, leaned most heavily upon the Air Force people for our local assistance.

But I would particularly like to mention by name,

These three officers went particularly out of their way to be helpful and they were most effective in everything they undertook.

I hope you enjoy your trip as much as we did ours, and I trust you will not hesitate to call upon our people if they can be of service in any way.

Sincerely,
